

Inceptia Financial Avenue

- Inceptia will provide all students at Bennett College with access to Financial Avenue; no social security information is required for access.
- Students will have access to six online learning courses, including: Budgeting, Contracts, Credit Cards, Credit History, Identity Theft, and Paying for College.
- Students will have access to ten online interactive mini-modules, including: Working in College, Understanding a Paycheck, Banking Basics, Understanding Insurance, Borrowing Money, Importance of Saving, Investing in Your Future, Your First Job, Taxes and You, and Tackling Debt.
- Students will demonstrate their understanding of the content by completing an online post-course assessment.
- Inceptia will provide support to Bennett College for training on using reporting services with Financial Avenue; toll-free customer service number for administrators and student users; reporting system that allows administrators to pull reports in summary and detail on students that use Financial Avenue; downloadable marketing materials that explain the program to aid in promoting and distributing the access code to students.
