

Accuplacer Placement Test Study Links

What is the **Accuplacer**?

That Accuplacer is an electronic test given to each student when they arrive to Bennett College. The test helps us to determine your current level in the following areas: Arithmetic, College-Level Math, Elementary Algebra, Reading Comprehension and Sentence Skills. This will allow us to place you in the appropriate Academic Classes throughout your attendance.

The following Links will assist you as you prepare:

Sample Test

<https://accuplacer.collegeboard.org/students/accuplacer-tests>

ACCUPLACER APP – is available for your purchase through your Mobile Phone.

Other materials that I suggest are as follows:

1. Khan Academy's reading and writing practice in the SAT preparation section, (<http://www.khanacademy.org/test-prep/sat>)
2. Khan Academy (<http://www.khanacademy.org/math>)
3. PurpleMath (<http://www.purplemath.com/modules/index.htm>) Math modules
4. Purdue's OWL grammar website (<https://owl.english.purdue.edu/owl/section/1/5/>)
